**Subject:** Just a few more days until FLUOROS 2015!  
**Attachments:** FLUOROS 2015 Meeting Program.pdf

Hello FLUOROS 2015 Registrants!

With just a few days to go before the meeting starts, I wanted to send all of you an advance copy of the FLUOROS 2015 Meeting Program. We will be providing hard copies for all of you when you check in at the registration desk, but I know some of you are eager to peruse the abstracts and know more details about the schedule. All of that information is included in the Program.

Importantly, the registration and opening reception will be this coming Sunday evening in the Green Center on the Colorado School of Mines (CSM) Campus. If you can't make it on Sunday evening, you can pick up your registration materials on Monday morning. The main meeting will start bright and early on Monday morning at 8 AM. If you are presenting a poster on Monday, please remember to set-up your poster between 7 AM and 8 AM that morning. We will also be providing a continental breakfast for all meeting participants between 7 and 8 AM as well.

Finally, as you begin your journey to Golden, please note that there is information on our website as to how to get to Golden and specifically the CSM campus.

Safe travels, and see you next week!

Chris
